October TASK Series/Classes

October Mondays – The Seven Dispensations-God's Plan of the Ages $40
Oct. 5, 12, 19, 26; 6:30 – 7:30 p.m.

Dispensations in the Bible are distinct periods of time in which God tests humankind's obedience to His specific revelations and instructions.

In dispensational theology, the core rule of salvation is simple: The requirement for salvation has always been faith, but the object of that faith changes based on what God has revealed in that specific era. While the *basis* of salvation is always the blood of Jesus Christ, and the *means* is always faith, the *content* of what a person had to believe depended entirely on the dispensation they lived in.

Now is the time for the Body of Christ to decide, once and for all, what and whom do you believe? The final dispensation will determine it all!

October Wednesdays - Plowing the Ground $40
Oct. 7, 14, 21, 28 ; 6:30 – 7:30 p.m.

In Hosea 10, the nation of Israel is facing a severe crisis. They have forsaken God. They forgot that it was God who had made them great. God's remedy for the sick nation. This class will take this scripture and divide it into three (3) areas of study. The call to break up the fallow ground and turn over the unplowed earth is an urgent call to the body of Christ in this apostate Church age, as it was at the time of Hosea. Today as it was then, many Christians have strayed far away from the glorious gospel of grace and are proclaiming another gospel and a different Jesus!
